This property consists of a house with four bedrooms, another building that served as storage and land.

Upon entering the property there is a walled patio from where you have access to the backyard and the house. The house is composed on the ground floor by a garage and also a storage area, has an old kitchen with wood oven and a well that collects rain water.

On the first floor we have a kitchen with a fireplace, this room can be accessed directly through some external stairs, from this room we have a pantry, WC and a corridor that gives access to the 4 bedrooms and a living room that also has access through some external stairs.

The first floor is in good condition although it may need to be modernised.

Outside there is also a storage room. The land is flat and well delimited, with some fruit trees such as olive, orange and walnut trees. There is enough space for a vegetable garden and also a private leisure area.

A good opportunity, in a quiet village with good access.
