Description

Bijou cottage in Penela

This small cottage of 28 m² is situated off the square of Largo de GNR in the centre of the historic market town of Penela which has banks, schools, health centre, restaurants, cafes and shops

The cottage has an open plan lounge/kitchenette with terracotta floor tiles and a traditional wooden ceiling. There is an attractive recessed alcove in the wall and a fitted display cupboard in one corner. The kitchen is fitted with wooden units and a gas boiler to heat hot water.

Stairs lead down to the bedroom with en-suite shower room. The bedroom has cork floor tiles, traditional wooden ceilings and a built-in wardrobe. The en-suite is modern with tiled walls and floor.

The cottage has been empty for 6 years so would now benefit from redecoration. This cottage would make a great holiday home, centrally situated and close to restaurants whilst also being convenient for walking and cycling in beautiful countryside only a few minutes drive away.

It is just a few minutes drive from the A13 motorway giving easy access to both Lisbon and Porto airports.
